

## Customized CNC Stainless Steel Parts Component Polishing

Our Product Introduction

for more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

### Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

### Product Specification

- Processing Method: CNC Machining
- Size: Customized
- OEM/ODM: Acceptable
- Inspection: 100% Inspection
- Lead Time: 7-15 Days
- MOQ: 1 Piece
- Drawing Format: PDF/DWG/IGS/STP
- Tolerance:  $\pm 0.01\text{mm}$
- Highlight: **Customized CNC Stainless Steel Parts, DWG CNC Stainless Steel Parts**

## Product Description

### Product Description:

We offer a full range of stainless steel CNC machined parts, which are precision machined to  $\pm 0.01\text{mm}$  tolerance. Our stainless steel parts are machined using CNC machine tools, and are suitable for many industries, such as automotive, aerospace, medical, electronic, etc. Our CNC machined parts can be customized in various shapes, sizes and materials, and OEM/ODM services are available. Our MOQ is 1 piece, and we can arrange shipping by sea/air/express.

Our stainless steel precision parts are of high quality and reliable performance. We have experienced engineers and technicians who make sure that every part is manufactured to the highest standards. Our professional team will provide you with the perfect solution to meet your needs. We guarantee that you will be 100% satisfied with our products.

### Features:

Product Name: CNC Stainless Steel Parts

Package: Carton/Wooden Box

Lead Time: 7-15 Days

Application: Industrial Equipment

Shipping: By Sea/Air/Express

OEM/ODM: Acceptable

CNC Stainless Steel Machining

Stainless Steel Machined Part

CNC Stainless Steel Machining Part

### Technical Parameters:

Parameter	Description
MOQ	1 Piece
Inspection	100% Inspection
Package	Carton/Wooden Box
Surface Treatment	Polishing
Tolerance	$\pm 0.01\text{mm}$
Shipping	By Sea/Air/Express
Lead Time	7-15 Days
Application	Industrial Equipment
OEM/ODM	Acceptable
Size	Customized
Product Type	Stainless Steel Machined Part, Stainless Steel Fabricated Part, Stainless Steel Precision Part, CNC Stainless Steel Part

### Applications:

YWY CNC303 stainless steel parts are made with high-precision CNC machining and are built to the strictest quality standards. Our CNC stainless steel components are made from stainless steel and have excellent corrosion resistance and durability. The parts can be customized to different sizes and shapes and have a lead time of 7 to 15 days. We also offer 100% inspection on all of our parts to ensure the highest quality. Our stainless steel machined parts are strong, reliable and perfect for any application. YWY provides high quality stainless steel parts with competitive prices and fast delivery.

### Customization:

#### Customized CNC Stainless Steel Parts

Brand Name: ywy

Model Number: cnc303

Place of Origin: Guangdong, Huizhou

Drawing Format: PDF/DWG/IGS/STP

Surface Treatment: Polishing

Inspection: 100% Inspection

Material: Stainless Steel

Package: Carton/Wooden Box

We specialize in providing **Stainless Steel Precision Parts**, **Stainless Steel CNC Components**, and **Stainless Steel CNC Machining** services. Our products are made with the highest quality materials and precise, precise machining. We strive to meet the highest standards of quality and performance, and our team of experienced technicians ensure that each part meets our customers' requirements. We guarantee to provide you with the best products and services available.

### Support and Services:

CNC Stainless Steel Parts Technical Support and Service

We provide comprehensive CNC stainless steel parts technical support and service, including:

Design and engineering consultation

Fabrication and machining

Quality assurance and testing

Assembly and finishing

Delivery and installation

Our team of experienced professionals will work with you to ensure your CNC stainless steel parts are manufactured to the highest standards. We are committed to providing quality products and services that are tailored to meet your specific needs.
