

ywy CNC Stainless Steel Parts Polishing PDF DWG IGS STP Drawing

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Processing Method: CNC Machining
- Inspection: 100% Inspection
- Package: Carton/Wooden Box
- OEM/ODM: Acceptable
- Drawing Format: PDF/DWG/IGS/STP
- Shipping: By Sea/Air/Express
- Surface Treatment: Polishing
- Tolerance: $\pm 0.01\text{mm}$
- Highlight: IGS Drawing CNC Stainless Steel Parts,
STP Drawing CNC Stainless Steel Parts

Product Description

Product Description:

We supply high-quality CNC stainless steel parts for industrial equipment, with customized sizes and exquisite surface polishing. Our stainless steel machined parts and precision parts are made of superior stainless steel, with stability and durability. All our parts are thoroughly inspected to ensure the highest quality standards.

Our CNC stainless steel parts are widely used in the automotive, aerospace, medical, optical, and electronics industries. We offer various types of precision parts and machined components, such as screws, nuts, bolts, shafts, gears, and other customized parts.

Our strict quality control and advanced production technology ensure that our CNC stainless steel parts are of superior quality and meet the highest industry standards. We can customize the size and specifications of our stainless steel parts according to your needs. All parts are securely packaged in cartons or wooden boxes to ensure safe delivery to your destination.

Features:

Product Name: CNC Stainless Steel Parts

Processing Method: CNC Machining

Material: Stainless Steel

Tolerance: $\pm 0.01\text{mm}$

OEM/ODM: Acceptable

Size: Customized

Specialty: CNC Stainless Steel Machining, Stainless Steel Precision Part, Stainless Steel Fabricated Part

Technical Parameters:

Parameter	Value
Shipping	By Sea/Air/Express
Surface Treatment	Polishing
Size	Customized
Tolerance	$\pm 0.01\text{mm}$
Processing Method	CNC Machining
Material	Stainless Steel
OEM/ODM	Acceptable
Lead Time	7-15 Days
MOQ	1 Piece
Drawing Format	PDF/DWG/IGS/STP

Applications:

YWY CNC stainless steel parts (model number: cnc303) are widely used in industrial equipment due to their superior durability, corrosion resistance, and high strength. Our CNC stainless steel components are fabricated with CNC machining and then polished for a superior finish. We accept PDF/DWG/IGS/STP drawings and offer both sea, air, and express shipping. Our CNC stainless steel fabrication and machining services make us one of the best choice for clients who need high-performance components. Guangdong Huizhou is our place of origin.

Customization:

Customized CNC Stainless Steel Parts from ywy

Brand Name: ywy

Model Number: cnc303

Place of Origin: Guangdong, Huizhou

Inspection: 100% Inspection

Size: Customized

OEM/ODM: Acceptable

Lead Time: 7-15 Days

Application: Industrial Equipment

Specializing in: Stainless Steel CNC Machining, CNC Stainless Steel Fabrication, Stainless Steel CNC Machined Part

Support and Services:

We provide technical support and services for CNC Stainless Steel Parts. Our services include:

- Design and engineering support for custom projects
- Material selection and sourcing
- Design for manufacturability (DFM)
- Prototyping and testing services
- Production machining and tooling
- Quality control and assurance
- Logistics and shipping services
