

Ywy Customized Brass CNC Parts Electronic Components

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Processing_method: CNC Machining
- Delivery_time: 7-15 Days
- Color: Customized
- Dimension: Customized
- Application: Electronic Components
- Tolerance: ± 0.01 mm
- Package: Standard Export Package
- Surface_treatment: Polishing
- Highlight: **Customized Brass CNC Parts,**
Electronic Brass CNC Parts

Product Description

Product Description:

Shenzhen is a hub for CNC-fabricated brass parts, and we specialize in delivering CNC-machined brass parts with a fast delivery time of 7-15 days. Our products are perfect for a variety of applications, including electronic components, and their precision and accuracy are second-to-none, with a tolerance of $\pm 0.01\text{mm}$. All of our brass parts are finished with a beautiful polishing surface treatment.

Features:

Product Name: CNC Brass Parts

Material: Brass

Tolerance: $\pm 0.01\text{mm}$

Weight: Customized

Dimension: Customized

Port: Shenzhen

Highlights: CNC-machined Brass Parts, Computer-aided Brass Parts, Customized Brass Parts

Technical Parameters:

Parameter	Value
Material	Brass
Color	Customized
Processing Method	Computer-operated / Computer-driven / CNC-manufactured
Payment Term	T/T, PayPal, Western Union
Dimension	Customized
Weight	Customized
Application	Electronic Components
Tolerance	$\pm 0.01\text{mm}$
Package	Standard Export Package
Surface Treatment	Polishing

Applications:

YWY CNC Brass Parts, model number cnc404, is fabricated with computer-programmed technology for precision and accuracy. It is produced in Guangdong, Huizhou, with standard export package. With a tolerance of $\pm 0.01\text{mm}$, it is a reliable choice for various demanding applications. Its supply ability is up to 10000 pieces per month and can be delivered within 7-15 days. CNC-fabricated Brass Parts Manufacturing is the perfect solution for modern design and engineering requirements in many industries, such as aerospace, automotive, and medical. It provides reliable and precise machining performance with great efficiency. CNC Brass Parts are ideal for complex parts with tight tolerances and intricate details, offering superior strength and durability.

Customization:

CNC-machined Brass Parts

Brand Name: ywy

Model Number: cnc404

Place of Origin: Guangdong, Huizhou

Color: Customized

Application: Electronic Components

Surface Treatment: Polishing

Tolerance: $\pm 0.01\text{mm}$

Weight: Customized

Computer-programmed, Computer-assisted, and Customized CNC-machined Brass Parts.

Support and Services:

Technical Support & Services for CNC Brass Parts

We provide technical services and support for CNC brass parts. Our team is available to answer any questions you may have and assist you in any way we can. We can provide advice on the best materials and processes for your project, and provide technical support during the manufacturing process. We also offer after-sales technical support and repair services for any problems that may arise. We are committed to providing high-quality parts and excellent customer service. If you have any questions or concerns about our products, please do not hesitate to contact us.
