Product Description

Product Description:

CNC Wood Parts are wooden machined parts created through a computer numerical control (CNC) cutting process. Our CNC cut wood pieces are precision-engineered to meet the highest standards of quality, and are available in customized colors and sizes. Our wooden computer cut parts are also available with a variety of surface treatments such as painting, polishing, and more. We offer OEM/ODM services and our wooden parts are securely packed and shipped in cartons or wooden pallets.

Features:

Product Name: CNC Wood Parts

Package: Carton, Wooden Pallet, Etc.

Material: Wood

Application: Furniture, Home Decoration, Etc.

Surface Treatment: Painting, Polishing, Etc.

Lead Time: 7-15 Days
