

Precision CNC Machined Parts , Customized CNC Machining Turning Milling Service

Our Product Introduction

for more products please visit us on precision-cncparts.com

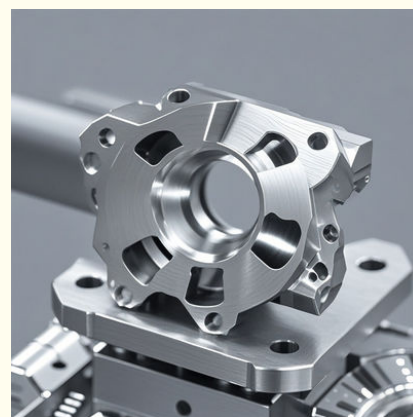

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Material: Aluminum, Steel, Brass, Etc.
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- MOQ: 10Piece
- Tolerance: $\pm 0.01\text{mm}$
- Application: Automotive, Aerospace, Medical, Etc.
- Quality Control: 100% Inspection Before Shipment
- Size: Customized
- OEM/ODM: Acceptable
- Highlight: Customized CNC Machined Parts,
Precision CNC Machined Parts,
Customized CNC Machining Turning Milling Service

Product Description

Product Description:

Our CNC machined parts are made from a variety of materials, including aluminum, steel, brass, and more. We use only the highest-quality materials to ensure that our parts are strong, durable, and long-lasting. We also offer a wide range of finishes and coatings to help protect your parts from wear and tear, and to give them a professional, polished look.

At our company, we understand the importance of OEM/ODM services, and we are happy to offer them to our customers. We are committed to providing you with the best possible service, and we are always looking for ways to improve our products and processes. Whether you need a small order of just 10 pieces, or a large order of hundreds or thousands of parts, we can help.

Our CNC machined parts are customized to your exact specifications, ensuring that they fit perfectly and perform flawlessly. We use the latest technology and equipment to ensure that each part is manufactured to the highest standards of quality and precision. Our team of skilled technicians and engineers is dedicated to providing you with the best possible service, and we are always available to answer any questions you may have.

So if you are looking for high-quality, precision machined parts for your industry, look no further than our line of computer-controlled machining parts. With our commitment to quality and customer satisfaction, you can trust us to provide you with the parts you need to get the job done right.

Features:

Product Name: CNC Machined Parts

Material: Aluminum, Steel, Brass, Etc.

Application: Automotive, Aerospace, Medical, Etc.

Processing Method: CNC Machining, Turning, Milling, Etc.

Delivery Method: DHL, FedEx, UPS, Etc.

Tolerance: $\pm 0.01\text{mm}$

Technical Parameters:

Technical Parameters	Description
Size	Customized
Application	Automotive, Aerospace, Medical, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
OEM/ODM	Acceptable
Packaging	Standard Export Carton Or Customized
Material	Aluminum, Steel, Brass, Etc.
Delivery Method	DHL, FedEx, UPS, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Drawing Format	PDF, DWG, IGS, STEP, Etc.
MOQ	10Piece

This product is a CNC-machined component, also known as numerically-controlled machining parts or computer-aided machining parts.

Applications:

yuanwenyu is a brand that provides high-quality CNC machined parts. Our product model numbers include 1X893 and OEM, and they are made in Guangdong, China. Our products are certified and have a minimum order quantity of 50 pieces. The price range of our CNC machined parts is from \$2.35 to \$12.68 per piece.

Our products are ideal for a wide range of applications, and we have listed some of them below:

Computer-aided manufacturing parts: Our CNC machined parts are perfect for use in the production of computer-aided manufacturing parts. The high level of precision and accuracy we maintain in our products ensure that you get the best possible results.

Computerized Numerical Cutting parts: Our CNC machined parts are also ideal for use in the production of computerized numerical cutting parts. The use of advanced technology and the high level of expertise of our team ensures that our products meet the highest standards of quality.

Automotive industry: Our CNC machined parts are perfect for use in the automotive industry. From engine components to transmission parts, our products are designed to deliver reliable performance and durability.

Aerospace industry: Our CNC machined parts are also suitable for use in the aerospace industry. The high level of precision and accuracy we maintain in our products ensures that they meet the strict standards of the industry.

Medical industry: Our CNC machined parts are ideal for use in the production of medical equipment. The high level of precision and accuracy we maintain in our products ensures that they meet the strict standards of the medical industry.

Our CNC machined parts are made using advanced processing methods such as CNC machining, turning, milling, etc. We use a variety of materials such as aluminum, steel, brass, etc., to ensure that our products meet the diverse needs of our customers. We accept OEM/ODM orders, and our products come with a lead time of 7-15 days. We provide packaging details such as EPE foam/ anti-rust paper/ stretch film/ plastic bag +carton to ensure that our products reach you in perfect condition. We also provide flexible payment terms and supply ability of 1000000 Piece/Pieces per Month.

Customization:

Our yuanwenyu brand offers high-quality CNC machined parts including the 1X893 model number and OEM products. These computerized machining parts are made in Guangdong, China and are certified for their quality. The minimum order quantity for our CNC-machined components is 50 pieces with a price range of \$2.35 - \$12.68 per piece. Our packaging details include EPE foam, anti-rust paper, stretch film, plastic bag, and carton. We offer a fast delivery time of 1 day and accept various payment terms. With a supply ability of 1000000 pieces per month, we ensure that all our products undergo 100% inspection before shipment. We also accept OEM/ODM orders with a low MOQ of 10 pieces. Our processing method includes CNC machining, turning, milling, and more, ensuring a tolerance of ± 0.01 mm. Trust yuanwenyu for all your computerized machining parts needs.

Support and Services:

Our CNC machined parts are made with the highest precision and accuracy to meet your specific needs. We offer technical support and services to ensure that you are getting the most out of our products. Our team of experts is available to answer any questions you may have and provide guidance on installation, maintenance, and troubleshooting.

Our technical support and services include:

- Design assistance
- Prototype development
- Material selection
- Manufacturing process optimization
- Quality control
- Custom packaging and labeling

We are committed to providing excellent customer service and support throughout the entire process, from initial inquiry to final delivery. Contact us today to learn more about our CNC machined parts and how we can assist you with your specific needs.

Packing and Shipping:

Product Packaging:

All CNC machined parts will be packaged in sturdy boxes to ensure safe transit.
Each part will be individually wrapped in protective material to prevent damage during shipping.
Clear labeling will be used to identify the contents of each box for easy organization.

Shipping:

We offer several shipping options to meet your needs, including standard, expedited, and overnight shipping.
All orders will be processed within 24 hours and shipped out as soon as possible.
We use trusted carriers to ensure timely delivery and provide tracking information for your convenience.
Please note that shipping costs may vary depending on the size and weight of your order.

FAQ:

Q1: What is the brand name of the CNC Machined Parts product?

A1: The brand name of the CNC Machined Parts product is yuanwenyu.

Q2: What is the minimum order quantity for the product?

A2: The minimum order quantity for the product is 50 pieces.

Q3: What is the price range for the product?

A3: The price range for the product is between \$2.35 and \$12.68 per piece.

Q4: What is the packaging detail for the product?

A4: The packaging detail for the product includes EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag +Carton.

Q5: What is the delivery time for the product?

A5: The delivery time for the product is dependent on the order size and destination, and will be provided upon inquiry.
