

Professional CNC Machined Parts for High-Performance Machinery

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Material: Aluminum, Steel, Brass, Etc.
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Packaging: Standard Export Carton Or Customized
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Quality Control: 100% Inspection Before Shipment
- Lead Time: 7-15 Days
- OEM/ODM: Acceptable
- Highlight: **High Performance CNC Machined Parts, Professional CNC Machined Parts**

Product Description

Product Description:

We use only the finest materials in our CNC machined parts, including aluminum, steel, brass, and many others. This ensures that our parts are strong, durable, and able to withstand even the most demanding applications in the automotive, aerospace, medical, and other industries.

Our CNC machined parts come with a MOQ of 10 pieces, making them perfect for both small-scale and large-scale production runs. We also offer fast and reliable delivery methods such as DHL, FedEx, and UPS to ensure that you receive your parts as quickly as possible. With a lead time of 7-15 days, you won't have to wait long to receive your Computerized machining parts. Whether you need a single part or thousands of parts, we can meet your needs with our efficient and cost-effective manufacturing process.

Our Computerized Numerical Cutting parts are perfect for a wide range of applications, including automotive, aerospace, medical, and many others. We take pride in our ability to provide high-quality parts that meet the needs of our customers, no matter what industry they're in.

So if you're looking for reliable and precise CNC machined parts, look no further than our line of Computerized Numerical Cutting parts. Contact us today to learn more about how we can meet your manufacturing needs!

Features:

Product Name: CNC Machined Parts

Tolerance: $\pm 0.01\text{mm}$

Size: Customized

OEM/ODM: Acceptable

Quality Control: 100% Inspection Before Shipment

Delivery Method: DHL, FedEx, UPS, Etc.

Precision machined parts

Computer-Numerically-Controlled parts

Computerized Numerical Cutting parts

Technical Parameters:

OEM/ODM	Acceptable
Size	Customized
Packaging	Standard Export Carton Or Customized
MOQ	10 Piece
Quality Control	100% Inspection Before Shipment
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Tolerance	$\pm 0.01\text{mm}$
Delivery Method	DHL, FedEx, UPS, Etc.
Application	Automotive, Aerospace, Medical, Etc.
Material	Aluminum, Steel, Brass, Etc.

Applications:

These CNC machined parts are perfect for various occasions and scenarios. They are ideal for use in manufacturing, automotive, aerospace, and electronics industries. These parts are used in the production of various products, such as engines, gears, aircraft components, and electronic devices.

Yuanwenyu CNC machined parts come in a wide range of designs and sizes. They are available in different materials, including aluminum, brass, stainless steel, and titanium. These parts are versatile and can be customized to meet specific requirements. They are designed to offer high precision, accuracy, and consistency, making them suitable for various applications.

The minimum order quantity for these parts is 50 pieces, and the price ranges from \$2.35 to \$12.68 per piece. They are packaged using high-quality materials such as EPE foam, anti-rust paper, stretch film, plastic bags, and cartons to ensure that they are delivered to the customers in perfect condition.

Yuanwenyu CNC machined parts are manufactured with high-quality standards, ensuring that they meet the customers' expectations.

They undergo a 100% inspection before being shipped to the customers to ensure that they are of high quality. The lead time for these parts is between 7-15 days, depending on the quantity ordered.

Customers looking for CNC machined parts that are versatile, durable, and of high quality should consider Yuanwenyu. Their products are designed to meet various needs and are suitable for different occasions and scenarios. They offer OEM and ODM services, making it possible for customers to get customized products that meet their specific requirements.

Customization:

Our CNC Machined Parts from yuanwenyu are highly customizable to meet your specific needs. We offer numerically-controlled machining parts, computerized numerical cutting parts, and computer-controlled machining parts that are made of aluminum, steel, brass, and other materials.

The model numbers available for this product are 1X893 and OEM, and they are manufactured in Guangdong, China. Our parts are certified and the minimum order quantity is 50 pieces. The price range for our CNC Machined Parts is between \$2.35 and \$12.68 per piece.

For packaging, we use EPE foam, anti-rust paper, stretch film, plastic bags, and cartons to ensure that your order arrives safely. Our delivery time is one day, and we accept various payment methods. We can supply up to 1,000,000 pieces per month and deliver your order via DHL, FedEx, UPS, and other methods.

We accept drawing formats such as PDF, DWG, IGS, STEP, and others. Our processing methods include CNC machining, turning, milling, and more. Our CNC Machined Parts are suitable for various applications such as automotive, aerospace, medical, and other industries.

Support and Services:

Our CNC Machined Parts product comes with a comprehensive technical support and service package to ensure optimal performance and longevity. Our team of experienced technicians are available to assist with any technical issues that may arise, as well as provide guidance on maintenance and repair. Additionally, we offer customization services to meet specific customer requirements and can provide installation and training services upon request. Our goal is to provide our customers with the highest level of support and service to ensure their satisfaction with our CNC Machined Parts product.

Packing and Shipping:

Product Packaging:

All CNC machined parts will be packaged securely in bubble wrap

Parts will be placed in a sturdy cardboard box with ample padding

The box will be clearly labeled with the product name and quantity

Shipping:

All orders will be shipped within 24 hours of payment confirmation

We offer worldwide shipping with various carriers

Customers will receive a tracking number via email once their order has shipped

Shipping times will vary depending on the destination

FAQ:

Q1: What is the brand of these CNC Machined Parts?

A1: The brand of these parts is yuanwenyu.

Q2: What is the minimum order quantity for these CNC Machined Parts?

A2: The minimum order quantity for these parts is 50 pieces.

Q3: Where are these CNC Machined Parts manufactured?

A3: These parts are manufactured in Guangdong, China.

Q4: What is the delivery time for these CNC Machined Parts?

A4: The delivery time for these parts is 1 week.

Q5: What is the price range for these CNC Machined Parts?

A5: The price range for these parts is between \$2.35 to \$12.68 per piece, depending on the model number and quantity ordered.
